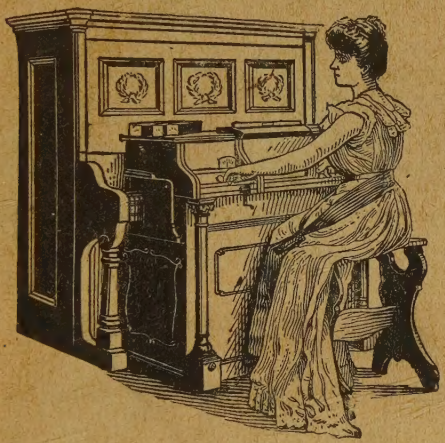
THE ANGELUS

The Instrument by the Aid of Which Anyone Can Play the Piano.



If you have an Angelus you can play upon the Piano any piece of music, be it Classical, Operatic, Sacred, or Popular. This you can do without knowing one note of music from another, and without the drudgery of finger practice.

As you have entire control of the expression and time, you can play the piece just as the composer wrote it, or can render it as your fancy or taste suggests. The ANGELUS ORCHESTRAL contains beautifully voiced reeds with which, whenever desired, orchestral effects can be produced in conjunction with the piano. By the means of this instrument you have at your command, not only distinctly piano literature, but orchestral music as well.

FISK UNIVERSITY.

Founded by the American Missionary Association.

J. G. MERRILL, D. D., Pres. REV. E. C. STICKEL, Treas.

DEPARTMENTS: Theological, College, Music, Scientific, Normal, College Preparatory, English, Practice and Model School.

PUPILS: 502. Graduates, 1901: College, 14; Normal, 15; Music, 2; Theological, 2; Faculty Professors and Assistant Professors, 8; Instructors, 19; Matrons, 3.

FISK UNIVERSITY sent out its first graduates less than a quarter of a century ago. To-day it numbers among its 425 alumni a hundred school principals or professors in higher institutions of learning, successful doctors, lawyers, merchants, and farmers, as well as ministers; and what is worth more than all, scores of mothers and wives with the high ideals of college and normal training preside over negro homes, and fifteen thousand children are taught each year by those who have gained their education at Fisk University. Certainly the work which has already been accomplished justifies the existence of the institution.

THE DEMAND IS NOW IMPERATIVE FOR AN ADEQUATE ENDOWMENT.

BENEVOLENT men and women have bestowed hundreds of millions of dollars for a race with centuries of civilization behind them and the accumulations of a long line of ancestors to provide them an education. The sense of justice will not be met until an institution educating youth less than forty years out of bondage, with no inheritance of money or of intellectual training, be remembered with munificent gifts.

DONATIONS, ANNUITIES, BEQUESTS SOLICITED.

$50 pays an annual scholarship.
$500 pays an Instructor's salary for a year.
$1,000 founds an annual scholarship.
$10,000 founds an Instructorship.
$28,000 founds a Professorship.
$300,000 would endow our present teaching force.

The President would be glad to answer any inquiries concerning our work. All checks in favor of the institution should be made out to E. C. STICKEL, Treasurer, Nashville, Tenn.

Howard University, Washington, D. C.

Rev. J. E. RANKIN, D. D., LL. D., President.

GEO. H. SAFFORD, Secretary and Treasurer.

Rev. W. A. SINCLAIR, M. D., Travelling Financial Agent.

This University was founded by Gen. O. O. Howard for all peoples under the sun. It has had among its pupils Asiatics, West Indians, North American Indians, Anglo-Saxons and Afro-Americans. It welcomes all such to-day.

DEPARTMENTS.

It has eight distinct Departments under sixty competent Professors, Instructors and Lecturers: Theological, Medical, including Dental and Pharmaceutical courses, Legal, College, Preparatory, Pedagogical, English, and Industrial which includes Printing, Carpentry, Book-binding, Tinning, Cooking and Sewing.

EXPENSES.

There is no charge for tuition in the Theological, Law, College, Preparatory, Pedagogical, English, and Industrial Departments. Students in these departments are charged for room-rent, and if they board in Miner Hall, $9 per month for board.

LIBRARY AND READING-ROOM.

Students have the use of the College, Theological and Law Libraries and a well-furnished Reading-room. The Government Libraries and Museums are free to all.

NEEDS.

This University is largely supported by the gifts of the benevolent; its Theological Department by the A. M. A. While its Theological students have aid from personal friends and different benevolent societies, there is always a call for larger benefaction in aid of indigent students. Any money in aid of individuals sent to the President, or the Treasurer, will be judiciously expended.

CHRISTIAN, BUT UNDENOMINATIONAL.

This institution is always emphatically Christian. Its Instructors believe in Christianity as the only basis of true culture; but pupils here are given no denominational bias.

SELF-HELP.

Nearly all the students are able in Washington City to do something for self-help. The Government Departments, Hotels and Boarding Houses and Private Families are constantly seeking for faithful service from the University. For Catalogues, address

The outlying territory to the Southwest — Indian Territory, Oklahoma, Western Arkansas and Northern Texas — from which the college draws students, has a still greater area and a rapidly growing population. ATLANTA UNIVERSITY, Atlanta, Ga.

REV. HORACE BUMSTEAD, D. D., PRESIDENT.

*PRESIDENT ELIOT of Harvard University, in an address pleading for a more liberal support of Atlanta University, once said: "How, then, are the teachers, the preachers, the physicians, for the colored race of the South to be provided, unless the South has institutions of the higher education, serving the Negro, fitting him for these higher positions? * * * * The only way to have good primary schools and grammar schools in Massachusetts is to have high and normal schools and colleges, in which the higher teachers are trained. It must be so throughout the South; the Negro race needs absolutely these higher facilities of education."*

Write to us for some of our leaflets which show how successfully Atlanta University has been supplying this need for a full third of a century in the State having the largest Negro population in the country. We need an endowment of at least $500,000, of which less than a tenth has thus far been secured. The corporate name of the Institution is "The Trustees of The Atlanta University" in Atlanta, Georgia. Bequests should be attested by three witnesses.

Address:

President HORACE BUMSTEAD,

Atlanta, Ga.

THE ADVANCE.

Thirty-fifth Year.

A CONGREGATIONAL

Devoted especially to the interests of the Congregational denomination throughout the country. Situated at the national centre of territory and population, as well as the largest educational and church centre of Congregationalism, it is in a position unequalled for observing and reporting Congregational life, which it does by a large force of regular and special correspondents.

RELIGIOUS

While endeavoring to give an intelligent review of all important events, political, social, and literary, from the religious point of view, an aspect much needed in this day of crowding materialism, the paper constantly aims to avoid being drowned in secularity, which has swallowed up some former religious journals. It therefore cultivates the devotional and evangelistic spirit, and seeks to bring out the realities of the deeper Christian life.

FAMILY

To win all to the best things, it strives to interest every member of the household from oldest to youngest. There are departments for each, for the household and the playroom, as well as for Church, Sunday-school and Endeavor Society.

NEWSPAPER

Specially aiming to summarize current history, religious and secular, and especially denominational, in attractive and instructive fashion. It therefore seeks the best in new newspaper ideas, aiming to be true to its name in adopting new features and improving old.

THE ADVANCE special writers have a national reputation. Its departments cover the various fields of religious and social life.

CONGREGATIONAL HOUSE, BOSTON, MASS.

NOTES.

"Every church and every minister upon the rolls of the denomination" is entitled to share in the distribution of the YEAR-BOOK. For this very practical purpose, "the rolls of the denomination" must be assumed to be the tables and list of the YEAR-BOOK, and the claim of any church or minister to receive it, errors excepted, does not arise until such church is found in the YEAR-BOOK'S tables, or such minister's name is enrolled and printed in its "List of Congregational Ministers," here reported and printed. To purchasers, the price is $1.00; or, in cloth, $1.25. Those entitled to receive it who prefer a cloth binding can have it in that form by sending 30 cents to

REV. ASHER ANDERSON,
405 CONGREGATIONAL HOUSE,
BOSTON, MASS.,

to whom all correspondence relating to the YEAR-BOOK should be addressed, NOT to the Publishing Society. It is not safe or sufficient to say "Congregational House" only, as it has many rooms and occupants.

A pastor, who has resigned his active service, does not lose his claim to the YEAR-BOOK. It is due to "every minister upon the roll." A church is not entitled to two copies, one for itself and one for its minister, as is often assumed; but to its one copy. The roll is new every year, and a minister's name has no place on it simply because it was in the *last* YEAR-BOOK. It is to be reported each year, either by the church he is serving or by the conference or association of which he is a member, and which is responsible to the churches for record and report of his good standing.

A number of copies of the Proceedings of the International Council, Boston, 1898, remain on hand. Price, $1.00. Add twenty-two cents for postage. Send orders to J. H. Tewksbury, Congregational Sunday School and Publishing Society, Congregational House, Boston.

The following resolution failed to appear in the Minutes of the Council of 1901. See page 43 of the published Minutes of the Council.

"*Resolved*, That in view of the grave concern regarding the present condition and future interests of the Sunday School work throughout our denomination, the Congregational Sunday School and Publishing Society be requested to furnish a systematic and graded course of study covering the whole range of Sunday School work, and that a committee of seven be appointed by this Council to co-operate with the Society to that end."

I hereby certify that the above resolution was introduced by the business committee and adopted by the Council.

JOEL S. IVES, *Registrar*.

INTRODUCTORY.

First of all, we thank sincerely the State secretaries, whose reports indicate patience and care, and an honest endeavor to get the YEAR-BOOK to the churches and ministers as soon as is possible. In spite of all they have done, the reports are fully ten days later than last year. The last was received April 14. Nor would they be so greatly delayed if the clerks of our churches were disposed to hasten their work. One clerk gave as a reason for delay that he had been busy with other things and the report of the church was laid aside. Unless church clerks are more prompt, we need not expect an issue earlier than at the end of May. Schedules were received this year from the State secretaries as follows: Mississippi, Feb. 4; New Mexico, Feb. 5; West Virginia, Feb. 7; New York, Feb. 8; Oregon, Feb. 9; Utah, Feb. 10; New Hampshire, Maine, Feb. 12; Ohio, Feb. 19; Virginia, Washington, New Jersey, Maryland, District of Columbia, Feb. 20; Michigan, Montana, Rhode Island, Feb. 24; Idaho, Minnesota, Feb. 25; Oklahoma, Feb. 26; Hawaii, Feb. 27; Wyoming, Feb. 28; Kentucky, March 1; Alabama (convention), Nevada, March 3; Wisconsin, March 5; Vermont, March 8; Arkansas, Indian Territory, Missouri, March 10; North Dakota, California, March 11; Indiana, Iowa, March 14; Colorado, March 15; Nebraska, March 18; Tennessee, March 19; South Carolina, March 21; Alabama (association), Illinois, March 22; South Dakota, March 26; Arizona, Pennsylvania, Texas, March 28; North Carolina, March 29; Georgia, Louisiana, April 6; Kansas, April 10; Massachusetts, April 11; Florida, April 14.

In the YEAR-BOOK of 1902 a few features will be noticed, some of which call for explanation. Some attempt has been made to arrange the States in alphabetical order. The tables, with an exception or two, follow each other in order. On account of space, we have been compelled to put some summaries on pages other than where the State tables end.

In the Summaries, page 453, churches are classified under the consideration that any church regularly provided for through the services of a licentiate is not a vacant church.

In the Summaries, at the end of the tables, the word Revision is used throughout. It includes discipline, though that may not be very much. Where the number is large, we may know that the church roll has been revised; and, indeed, where the number is small, we may believe that it does not refer in every instance to discipline.

The method adopted last year in grouping the States, as on pages 460-462, is continued in this issue.

Four new tables are added. One, page 468, indicates the distribution of aid to ministers by State societies and the Trustees of the National Council, respectively. A second table, page 466, shows what amounts were received by the treasurers of our Benevolent Funds and the auxiliaries, as compared with what are reported in the YEAR-BOOK. It will be recalled that the question was discussed at the National Council, Portland, Me., whether the names of the superintendents should be omitted or not, to make room for other columns, that treasurers' reports be printed with the reports of benevolence and kindred work of the churches. The differences in the amounts, as given in this issue, will show whether such a plan is necessary or not. A third table, page 465, gives an enumeration of the churches with respect to membership. We are glad to have anticipated several requests for this table. This table will help us appreciate the gifts of the people. We have a large number of small

churches. A fourth table, page 464, shows the number of persons admitted to membership in groups of 10, 25 and 50; also the number which did not receive any. A fifth table, page 463, gives the number of Congregationalists in the world, including the Missions of the American Board.

When studying the reports of the churches, it must be remembered that what appear to be mistakes in additions, especially in the columns of membership, may be accounted for in the membership of the previous year of non-reporting churches being included in the totals. Whenever it was found that that had not been done special account was made of such churches in the grand total found upon page 000.

Hawaii is given its just place among the tables, and for the first time we give hearty welcome to Porto Rico.

It is something to be grateful for that the tables of the 1902 edition give greater encouragement than did those of the previous year. We will all trust that this is the beginning of an advance all along the line. There is a purpose in the YEAR-BOOK of which our ministers can take excellent advantage, to the edification of the fellowship.

Permit us to refer to the Biographies. It is very difficult to secure accurate and complete material, particularly of the early lives of ministers. For that reason we ask earnestly that ministers, as many have already done, apply for blanks, and after filling them out, send them to this office, where they will be kept on file.

Trusting the churches and ministers will find some suggestion with respect to the Kingdom we love, we send forth the YEAR-BOOK with the prayer that it will not be altogether without a mission.

ASHER ANDERSON, *Editor*

The following recommendation by the finance committee was adopted by the Council at Portland, Me., Oct. 12-17, 1901: —

(1) That the treasurer of the National Council be instructed to call for one and one-half cents per member from the churches for each of the three following years, instead of two cents per annum as heretofore.

P. O. address of the above, Congregational House, Boston, Mass.
District Secretaries. — CHARLES C. CREEGAN, D. D., Congregational Rooms, 4th Ave. nd 22d St., New York City. Rev. A. N. HITCHCOCK, PH. D., 153 La Salle Street Chicago, Ill. Rev. WALTER FREAR, General Agent, Y. M. C. A. Building, San Francisco, Cal.

The present year is the ninety-second since the organization of the American Board. During its first year its receipts were forty-eight cents less than $1,000. During the last year it received $697,370. At the outset it was seriously doubted whether the churches of America could support four missionaries; last year the Board alone had upon the roll of its missionaries 544 names. At the earlier period it was doubted whether in any foreign land an entrance could possibly be secured. Now, the question is, which of the multitudes of open doors we must refuse to enter. To the twenty missions now under its care and to others which have been transferred to the care of other missionary boards, the American Board has sent, from the beginning, 2,347 missionaries and assistant missionaries, and during the past year it sent forty, eleven of them men and twenty-nine women. With the 544 American missionaries now in the field, there are laboring no less than 3,483 native assistants, of whom 240 are pastors and 513 are unordained preachers and catechists.

Aside from its evangelistic work, the Board sustains other departments of Christian labor. It has an educational department, in which there are employed no less than 1,930 native school teachers, maintaining schools of every grade, from the kindergarten to the college and theological seminary. In its higher institutions there are 12,813 students, while in its 1,135 common schools there are 49,375 pupils, making the total number under instruction over 62,188. In the medical department there are forty-three American physicians, twelve of whom are women, most of them having under their care hospitals or dispensaries in which tens of thousands of patients are treated each year, many of them healed spiritually as well as in body. The publication work is very extensive, including the translation of the Bible, the issuing of Christian tracts, and providing a literature.

There are exactly 97 stations in which American missionaries reside, connected with which are 1,209 outstations, specially cared for by the native pastors and preachers. In the 505 churches there are now enrolled 50,892 members, of whom 4,551 were received on confession during the past year. The native contributions for the support of Christian work have amounted to $147,879, nearly the largest in the history of the Board, being more than one fourth of the amount received from living donors by the American Board. An increase of $150,000 from the home churches is required to keep the work on the present basis, to say nothing of the advance so imperatively called for. "The Forward Movement," which seeks specially to secure the support of individual missionaries by particular churches, or groups of churches, has resulted in the adoption of many missionaries, and contributions have been somewhat increased. But the churches have as yet touched only the fringe of missionary enterprise entrusted to them by the risen Lord.

Three Woman's Boards are co-operating efficiently with the American Board in its foreign work, especially in efforts to reach women and children in missionary lands.

The periodicals relating to this foreign missionary work are, the *Missionary Herald*, the *Mission Dayspring*, *Life and Light for Woman*, *Mission Studies*, the annual *American Board Almanac*, and a department in *Congregational Work*. The information given in these publications is essential to an adequate apprehension of the work which our churches are seeking to do for foreign missions.

COLLEGE AND ACADEMY DEPARTMENT.

1. PURPOSE. — To assist in the support of instructors and of their work in Home Missionary colleges and academies in the west and south. Most of these institutions are on Home Missionary ground and none are yet self-supporting. The wonderful growth of the country has increased the perils of materialism and selfish utilitarianism. Educational institutions, based upon the ethical and religious principles of the Christian religion, are of supreme importance; and even the public school system requires their uplifting influence and co-operation.

2. NUMBER AIDED. — 3 colleges and 21 academies.

COLLEGES.

ROLLINS, Florida.
FAIRMOUNT, Kansas.
FARGO, No. Dakota.

NORTH WISCONSIN, Wisconsin.
ENDEAVOR, Wisconsin.
HULL, Iowa.
PUGET SOUND, Washington.
WOODCOCK, Washington.
WARD, South Dakota.
KINGFISHER, Oklahoma.

GERMAN-ENGLISH, Iowa.

3. THEIR IMPORTANCE. — The colleges produce candidates for the ministry, an intelligent and Christian citizenship, and educate the leaders in the thought and life of new States and Territories. The academies are located in new regions unprovided with sufficient educational privileges. They prepare teachers for the public schools and young people for college, and afford liberal culture to many others who go forth as Christians to be the seed and strength of Home Missionary churches.

4. POLICY. — The Society's policy is to concentrate upon central colleges in each Western State. Aid has been given to twenty-two colleges, that are now strong and prosperous. It further aims to develop the academy system upon simple Home Missionary principles; and to federate, in each State, the circle of academies, standing about the central college, under the mutual care of the churches of that State and of the Society.

NEW WEST DEPARTMENT.

1. PURPOSE. — To support the mission schools and academies in Utah and New Mexico in continuance of the work of the New West Education Commission. The Christian teacher must precede the preacher; churches grow out of the schools. Homes can only be reached through work for the children. The solution of the Mormon problem lies in Christian Education.

2. NUMBER SUPPORTED. — Gordon Academy at Salt Lake City; Procter Academy, at Provo, Utah, and ten mission schools.

MISSION SCHOOLS.

Bountiful, Utah.	Barelas, New Mexico.
Coalville, Utah.	San Rafael, New Mexico.
Heber, Utah.	Cubero, New Mexico.
Lehi, Utah.	San Mateo, New Mexico.
Atrisco, New Mexico.	Cabezon, New Mexico.

3. Amount of Aid Requisite. — $20,000 for the year.

4. Results. — Several Congregational churches; thousands of children and youth instructed and protected from Mormon influence in past years; the introduction of public schools made imperative; and followed by the constant gift of the Christian leaven with its powerful stimulus for higher and truer standards. New Mexican homes and towns uplifted.

5. Mormonism Still Powerful. — The church organization remains unchanged; the missionaries are active at home and abroad, church schools are everywhere, and even the public school system, partly introduced under the stimulating influences of our own work, is almost wholly under Mormon control.

6. Mexicans in the United States. — A quarter of a million, most of them poor, ignorant, and superstitious.

The gifts of those who were loyal and generous supporters of the New West Education Commission are imperatively needed and earnestly solicited for the future maintenance of the schools among the Mormons and Mexicans.

STUDENT DEPARTMENT.

(Organized in 1816.)

1. Purpose. — To enable meritorious students for the Congregational ministry, who need financial aid, to concentrate upon their studies, to begin their work without debt, to be set free for service in hard or distant fields; that so may be provided a spiritual and equipped ministry for the gospel service. Upwards of 9,000 have been aided, of whom a large proportion have been home or foreign missionaries.

2. Number Aided. — This year, 145.

3. Amount and Conditions of Aid. — A scholarship amounts to $50 and is given, at the option of a student, as a grant or as a loan. Scholarships are conditioned upon merit; a high standard of fitness, and the approval of a special committee in each institution, being required of applicants. As a legal or moral obligation to repay is undertaken, the policy elevates both scholarly and financial standards.

4. Demand for Ministers. — The Churches increase in number while the seminaries barely make good the losses through death. The inflow of men from other denominations reveals the demand. Only in certain regions is there a surplus. The door of opportunity was never more open for spiritual, learned, constructive men. The student scholarships of the C. E. S. represent the churches' faith in and claim upon the seminaries for producing spiritually endued and scientifically trained leaders.

RECEIPTS.

Balance from previous year	$16,440 94	
Total income	83,235 05	
		$99,675 99

DISBURSEMENTS.

Total payments	$81,352 00	
Balance on hand, for investment	18,323 99	
		$99,675 99

Amount of money per year requisite to the efficient prosecution of the work of the Society in all its branches, not less than $250,000. The policy of the Society is wisely conservative. It proposes to give help where the investment is good; but it does not fail to enter new fields of assured promise. In order to do its work and meet its increasing demands, it asks the generous contributions of the churches by their regular methods, and the personal gifts of friends of Christian education.

FORM OF BEQUEST.

I do hereby give and bequeath to the "Congregational Education Society" the sum of —— dollars, to be paid within —— months after my decease, and to be applied to the uses and purposes of that Society.

☞ Fifty dollars constitutes an honorary membership.

Daniels, D. D., Newton; Alfred M. Ziegler, Roxbury; Arthur S. Johnson, Boston.

OBJECTS.

To maintain, in the city of Boston, a Congregational House; to care for and perpetuate a library of books, pamphlets, and manuscripts, and a collection of portraits and relics of the past; and to do whatever else — within the limits of its charter — shall serve to illustrate Congregational History and promote the general interests of the Congregational churches.

THE PAST YEAR.

A leading cause for thankfulness is the acquisition by the Congregational Library of the entire collection of Bishop Stubbs, author of the "Constitutional History of England." This addition contains more than 5,500 volumes, the larger part belonging to the department of history. Many of these will give our students access, otherwise impossible, to first-hand sources of the annals of the mother country.

The purchase of the collection was made possible by a legacy from Mr. Stickney of Baltimore, supplemented by an appropriation from the Directors.

NEEDS.

We are carrying a heavy mortgage of nearly $200,000, and reducing it a little each year from net rentals. But this is a slow process at best; and it is liable to be checked at any time by the chilling blight of financial stringency. We shall not be on a secure basis until the Congregational House is freed from every incumbrance. Friends outside of Boston, as well as those in the city, are urged to bear an honorable part in this work, and to send the treasurer liberal contributions for the discharge of the debt.

Another object which should appeal to all good Congregationalists is the proper maintenance of our Library. It is open freely to all for reference, and it contains books and pamphlets relating to both the historical and the religious side of Christian work. Many of these are especially prized on account of their age and rarity; but it is too seldom realized that history is being made as truly now as in any past era; and thus that the record of what is familiar to us, as we live through it, will be prized by the generations that come after us. The Congregational Library asks to be the common repository of the life of our churches. All publications of either ministers or laymen are welcome, especially those of ecclesiastical interest. For example: in two or three clusters of churches, East and West, it is the custom to send hither a copy of the minutes of each local council; the practice should become a general one. We ought also to receive hundreds of church histories, manuals, and year books that have not yet been sent to us. Will pastors and clerks please follow these suggestions before the subject is crowded out by the press of other matters?

The first year of the new century has been a good one. Only one year in the whole forty-nine has brought to the treasury a larger sum total. The increase is in the column of special gifts to individual enterprises. These gifts have been vital to these enterprises, and therefore most gratefully acknowledged. The most strenuous need of the Board now is of direct gifts to its general fund, out of which to make grants to churches struggling to build.

The grant fund has been drawn down to the very bottom. It is simply impossible to do what every consideration would require were funds in hand.

The HOME MISSIONARY, a magazine published by the Society since 1828, is now issued monthly at thirty cents a year, including postage. It gives a running account of the progress of the work in all parts of the country, largely from the pens of the superintendents and missionaries personally engaged in it. In CONGREGATIONAL WORK, the new monthly organ of the Six Congregational Societies, the pages allotted to Home Missions keep their readers in constant touch with the workers in

all parts of the wide field, and present the freshest intelligence therefrom. The price is only ten cents a year. AN ANNUAL REPORT sums up the results of each year. Leaflets and Tracts for the times are published as occasion calls and funds allow, designed to help pastors, Sunday-school officers, and friends of home missions generally, in awakening and keeping alive an intelligent, practical, growing interest in the work. These may be had, free of charge, at any time, by addressing the officers of the Society at its rooms, Fourth Avenue and 22d Street, New York.

For seventy-six years the Society has been organizing churches in the West and South, and aiding in the support of their ministers till those churches are able to assume the whole expense. Its missionaries have from the first organized Sunday schools, provided proper teachers for them, and by watchful oversight have secured their permanence and growth into churches.

In connection with the labor of its missionaries, 6,692 churches (*a*) have been organized and 3,094 have come to self-support. It has collected and disbursed in cash, $20,204,486; and in clothing, books, and other supplies, largely the offerings of Christian women, $2,511,337; in all, $22,715,823. The additions to the churches have been 491,517.

The number of missionaries employed in its seventy-fifth year (1900–1901) was 1,863; 1,301 of them in States and Territories west and south of the Middle States. They preached regularly in 2,741 stations, and at frequent intervals in many hundreds more. The number of Sunday-school and Bible-class scholars was 147,274. The additions to the churches were 8,115; 5,103 of them on confession of Christ. Churches organized, 65; reached self-support, 35.

The seventy-fifth year's receipts were, in cash, $538,986.35; in supplies, $58,257.45; in all, $597,243.80.

In 1883, a Woman's Department was opened. Its object is to interest the women of our churches all over the country, and through them the children, more directly in the work; not to the diminishing of their helpful labor in the way of home missionary boxes (of clothing, etc.), but to secure also their gifts of money for the support of missionaries all over the country, and for various special uses, as called for from time to time. Their aid in this line is steadily growing, but much more is needed.

The Society is doing much more work than ever before among the foreign-born in all parts of the country. At nearly every meeting the Executive Committee is urged, too often in vain for lack of means, to appoint chosen men for new fields at the front, where they are greatly needed, but where their support involves heavy outlay by the Society. For securing the means essential to the carrying on of this great work the Society depends, under God, on the zealous co-operation of the pastors and members of the Congregational churches of the land. At least $100,000 more than last year's receipts are required to carry on this work, besides an equal advance to meet indebtedness for work already done.

FIELD

Extends from the Atlantic to the Pacific, and from Porto Rico to Alaska. It includes, in the South, the Negroes and the Whites, especially those in the mountains; in the West the Indians; on the Pacific Coast the Chinese; in Alaska the Eskimos; and in Porto Rico those of different races. Through its pupils it is reaching into Africa, China, Japan, Mexico, and Cuba.

PURPOSE AND METHOD.

The American Missionary Association is training a leadership from among these different races. This involves an

INDUSTRIAL LEADERSHIP.

To accomplish this the Association introduced, years ago, industrial training. Nearly every school furnishes this department of instruction. An Industrial Leadership is thus trained from among these people. It is not simply to instruct the few in handicraft, or to teach them a trade, but to give to the many, competent instructors of their own race, who shall lead them into better industrial activity and prepare them for economic development.

AN INTELLECTUAL LEADERSHIP

For these races is equally essential. This is also provided by the A. M. A. Normal institutes and academies, in which the best methods of modern teaching are pursued, are planted among these peoples, and hundreds of teachers are trained for the public schools. This training of teachers is of supreme importance in the elevation of these races.

Intellectual Leadership is also furnished through the colleges and higher institutions. No race can be lifted up by means of industrial training alone. The larger development of intellectual life is essential to secure to any race influence and power. This the Association recognizes and provides for.

THE MORAL AND RELIGIOUS LEADERSHIP

Of these peoples is also provided. Departments of biblical and theological instruction, in which ministers and missionaries are trained from these races for their own people, are provided by the Association. Character building is necessary. Religious life must be stimulated. High ethical and moral standards must be established. These great necessities can be met only by a well-trained moral and religious leadership from among those peoples whose high character shall appeal to that which is best in the race and furnish an object lesson.

Among the many different races reached by the work of the Association, a leadership is being trained from the people who represent these conditions of preparation and character.

EDUCATIONAL WORK

Includes universities, colleges, academies, normal schools, industrial schools and departments, and primary schools. Among its institutions are the following: Fisk University, Nashville, Tenn.; Straight University, Louisiana; Talladega College, Alabama; Tougaloo University, Mississippi; Tillotson College, Texas; J. S. Green College, Georgia; Avery Institute, South Carolina; Le Moyne Institute, Tennessee; Ballard Normal School, Georgia. Mountain schools: Williamsburg Academy, Kentucky; Grand View Academy, Tennessee; Saluda Seminary, North Carolina; Green Academy, Alabama. Indian schools: Santee Normal and Training School, Nebraska. Ninety-six other Normal, Industrial, Graded, and Primary schools.

CHURCH WORK

Is a missionary service almost entirely among the very poor. In the Indian fields it is having wonderful growth. In the Chinese fields, many pagans have come into the Christian life. In the Southern mountains a number of churches have been added and the interest of the people in the Congregational church life is being rapidly developed. In the Southern lowlands, also, there is a remarkable movement among the colored people towards free and pure churches.

MAGAZINE.

The American Missionary is published monthly. New form, fresh material, and generous illustrations characterize it for 1902. Pastors of contributing churches, Superintendents of Sabbath schools, College and Theological Libraries, and Societies of Inquiry on Missions will receive the *Missionary* upon application if so desired. Ministers rarely come from wealthy families. They earn or borrow the means of education. Their salaries barely cover expenses; their removals are frequent, especially in home missionary fields; their earning time ends early; and their death lingers late. Less than a third of them die in harness; and more than half live past seventy. It ill becomes a great denomination to let any faithful missionary suffer extreme want in old age.

The National Council's Ministerial Relief Fund, now $118,000, furnishes an income of about $5,000 which is distributed in little pensions of from $25 to $200 a year, to aged or disabled Congregational ministers and missionaries, and their families. In 1900, sixty-four persons or families received such aid. Within about a year, seven of our honored pensioners have been transferred at advanced ages to the Home of Perpetual Youth. All of them had rendered long and faithful, and some of them conspicuously efficient, service. Of one nearly eighty years old, now broken down in health, it is written, "Within the last eight years he has done very efficient and faithful service for our churches; under his supervision seven churches have been organized and he has largely superintended the erection of their church buildings."

For fuller information, see Minutes of National Councils; write the Secretary for literature, free; invite him to address your church, conference, association, or Congregational Club. Give something for Ministerial Relief, State or National, every year.

Admission. — Students are admitted upon presentation of certificates of membership in some Christian Church, and of graduation at a college or university. Applicants who are not graduates will be required to pass an examination.

Course of Study. — The aim of the course is to prepare men thoroughly for the practical work of the ministry. The fundamental studies in the Old and New Testaments, the History of the Church, the System of Christian Truth, and the Work of the Preacher and Pastor, are prescribed; numerous elective courses enable students, in accordance with their interests and aptitudes, to pursue some of these subjects farther, or to take up others subsidiary to the main topics of instruction. To give students an actual acquaintance with the work of their calling and some experience in it, they are, as far as possible, associated individually with the pastors of churches in Boston and vicinity, whom they assist in various ways and from whom they receive personal counsel and guidance.

Degree. — The degree of Bachelor of Divinity is conferred upon students who satisfactorily complete the three years' course of study; it is ordinarily required that the recipient hold a college degree.

Graduate Students. — Graduates in Theology pursue advanced studies and researches under the personal direction of the professors, and are admitted to such courses of lectures as they may elect.

Library and Museum. — The library contains over 52,000 volumes. A reading-room with a large and carefully-selected reference library is accessible to students at all hours. The museum contains an extensive collection made by Dr. Selah Merrill, illustrating especially the fauna of Palestine and the life of its people.

There is also a small loan fund for the temporary accommodation of those who need it.

Post-graduate Scholarships. — There are three scholarships established for the benefit of graduates of this Seminary; one of $50 to aid any student who remains to take a fourth year after graduating; and two of $100 each at Bowdoin College, to assist students who, having graduated at the Seminary, may be admitted to the College for further study.

Preaching. — As it is believed to be conducive to the best professional training to combine practice with theory, students are allowed to exercise their gifts in holding meetings and in preaching as opportunities may offer, under the express approbation of the Faculty, it being provided that the prescribed exercises of the Seminary are not neglected. Facilities for such services are afforded in the missionary fields within reach of the Seminary.

The student has unlimited choice among these Electives, except that he must take ten hours per week, and fourteen "units" (equivalent to seven hours per week for a year) in some major elective.

FACILITIES.

The Seminary has removed from Oakland to Berkeley, the seat of the University of California. It is thus enabled to avail itself freely of the advantages of this University, among the foremost in the United States. There about are 2,500 students in the Academic Departments at Berkeley, and 3,000 in the entire University. The Library of the University, numbering about 80,000 volumes, and the special Theological Library of the Seminary (7,000 volumes), will afford large opportunities for special study. Preparation in the languages of China and Japan can be had in the Oriental Department of the University, or in medicine in the Medical School. The climate is remarkably even, constantly cool, stimulating, and favorable for study during the entire year, knowing nothing of debilitating Spring changes, or prostrating Summer heats.

TERMS OF ADMISSION.

The Seminary is open to students of every Christian denomination, to women as well as to men. Senior standing in the University of California, or its strict equivalent, is required for admission to the Theological course, though students having attained standing equivalent to Junior standing in the University may be received as "Sub-Juniors," under the care of the Faculty, to complete their preparation for Theology in the University, having some biblical work in the Seminary. A certificate of health from a competent physician will be required of every student. Special students may be received to such studies as they are found qualified to pursue, as in the University.

EXPENSES AND PECUNIARY AID.

Incidental Expenses amount to $9.00 per half-year. Board may be had in the Students' Club at about $2.50 per week. The Seminary and the Congregational Education Society (the help of the latter however, being restricted to Congregational students) afford annual assistance; but in both cases upon condition of high scholarly work; the seminary aid is graduated upon merit basis from $75 to $175. There are a limited number of preaching stations in the neighborhood where advanced students may have the opportunity of practical work and of earning a portion of their expenses.

The Next Year begins Aug. 19, 1902. Address the President.

Admission. — The Seminary is open to students of all denominations. Candidates for admission must have received a collegiate education, or an equivalent preparation. Students from other seminaries may be admitted by certificate.

Terms and Vacations. — The academic year begins the last Wednesday in September and closes the second Thursday in May. There is a recess of two weeks at Christmas.

Situation. — The Seminary Buildings front Union Park. The location is quiet, but the centre of the city may be reached in ten minutes.

The German and the Scandinavian Departments. — Students in these departments take part of the Course in the English language, according to their grade of preparation, that they may be able to preach also in English. They are, however, excused from most English studies, in place of which they have such studies in their own native languages as are best adapted to prepare them to minister to our German or Scandinavian fellow-citizens.

The Seminary aims (1) to develop a vigorous spiritual life as the only sound basis for scholarship and service, (2) to train in scientific methods of exegetical and historical research, (3) to discover the truth of God as revealed in the Scriptures, and the leading of his Spirit in history, in order to apply that truth in the realms of thought and endeavor, so as to meet the present needs of the world and promote the spread of his Kingdom.

The Curriculum comprises both required and elective studies. After pursuing certain Preliminary Studies (165 hours). each student selects one of twelve carefully differentiated Groups (each aggregating 900 hours), and to this Group he may then add from 105 to 450 hours of Electives, chosen freely from almost 250 courses. This system combines a due balance of discipline with great elasticity in meeting individual needs. In every subject modern methods are employed, with close contact between teacher and pupil, and strong incentive to scholarly habits. Besides the ordinary fields of theological study, each presented with exceptional fulness, unusual opportunities are supplied in missions, general and special pedagogy, liturgics, various church polities, music, etc. Graduate study is strongly encouraged, and special courses may be arranged for peculiar cases. Two fellowships are offered, each for two years of foreign study; also five prizes, a special fund for books, etc. Students have access to a great variety of classes and lectures not strictly within the curriculum.

The Apparatus includes a rapidly increasing library of about 80,000 volumes (excluding duplicates), containing several unique collections, to which students have access day and evening, museum and reading-room, gymnasium, music-room, etc.

Terms of Admission. — Candidates for admission must be members of some Christian Church and graduates of some college. Those who are not college graduates may, after examination, be admitted *on probation* during the first term.

All courses are open to *women* on the same terms as to men.

Expenses.— No charge is made for tuition, rooms, furniture and bedding, or use of the library and apparatus, except a nominal fee of $20 for use of steam and for supervision. Board is provided at the Seminary under the care of the Students' Association, at $3.50 per week.

Scholarship aid is provided for those needing it, in addition to the grant from the Education Society.

Calendar.— The sixty-ninth year begins on Sept. 24, 1902, and closes on May 27, 1903. The various courses are arranged in three terms. Examinations are held at the close of each subject or principal topic.

For the Annual Register, or further information, address Prof. M. W. Jacobus.

The Seminary is open to students of all denominations. It has a full corps of professors of its own and offers its students all the work essential to a theological training. In addition students are admitted to the College classes without charge.

Applicants for admission must present college diplomas, or satisfy the faculty by examination or certificate that they have had the equivalent of a college course. Upon graduation, the Academic Degree of Bachelor of Divinity is conferred.

The minimum requirement for all candidates for a degree is 1,440 hours of lectures and recitations. The most essential courses of each department are required; this work amounts to 817 hours. Hebrew being elective, the required amount of work in the Old Testament department may be done either in Hebrew Exegesis or in Introduction and Biblical Theology. In addition to the required work, a large number of elective courses is offered, aggregating 1,538 hours, from which each student elects at least 623 hours. These courses cover a large range of more advanced work in the several departments.

There are in the ministry many who have not received adequate training for it and who soon discover their need of theological study. The reasonable requirements for admission to the regular courses of theology place such training beyond the reach of many men of this class. In the interest of a better educated ministry the Seminary offers its advantages to a limited number of ordained ministers who have already held a pastorate, and who wish to enter upon theological studies for not less than a full year. They may enter such courses as they are prepared to pursue with profit, and will be given certificates for all work completed.

SLAVIC DEPARTMENT. — The object of this department is to train up pastors for the Slavic immigrants to this country. Thorough instruction is given in the Bohemian language. The course of study varies to suit the needs of individuals, and culminates in the regular theological course.

SPEAR LIBRARY contains about fifty-three thousand volumes.

EXPENSES. — Council Hall, the Seminary building, has fully furnished rooms with hot water heat for fifty students. Those rooming here pay a moderate incidental fee, varying according to location of room. Other students pay a fee of $6. Aside from this fee there is no charge made by the Seminary. The price of board in Oberlin is from $2.00 to $3.00 a week. Other expenses are correspondingly low.

Pecuniary aid is granted to those who need it, from the Congregational Education Society, and from Seminary scholarship funds. The amount ordinarily received from the Education Society has not been less than $50. The Seminary funds are awarded for excellence in scholarship in the form of merit scholarships varying in amount from $50 to $100 each year. There is also a loan fund. There has generally been abundant opportunity for work in Home Missionary fields and elsewhere during the summer vacation of four months, and occasional preaching for remuneration is possible during term time.

The year of study consists of thirty-two weeks in two semesters. The next year begins Wednesday, Sept. 24, 1902. For further information address PROF. EDWARD I. BOSWORTH.

Relation to the University. — The Divinity School is one of the co-ordinate Departments of Yale University; its students enjoy all the general advantages of a university residence and receive from the Corporation, on completing their three-years course, the degree of b. d., and are enrolled among the alumni of the University.

Courses of Study. — The studies are of two classes, prescribed and elective. The prescribed studies, given by the Faculty, cover about two thirds of the required work of the three years; the elective studies may be made up from Divinity courses or from courses given in the Graduate School. Students at the close of the second year of study have the option of continuing as candidates for the degree of b. d., or of becoming, by enrolment in the Graduate School, candidates for the degree of ph. d. (requiring two more years of resident study).

Graduate or Fourth-Year Class. — Students of approved scholarship who have completed a three-years course of theological study, here or elsewhere, are admitted to the Graduate Class, in which advanced studies in Theology are pursued under the direction of the Professors. Scholarship aid, to a limited amount, will, at the discretion of the Faculty, be given to men of superior scholarship. Members of this class may become candidates for the degree of m. a. or for that of ph. d., by enrolment in the Graduate Department of the University.

The Graduate Fellowship, for the encouragement of further theological study in this country or abroad, the income of which is $600 for two years after graduation, is offered to the class entering in September, 1902.

Expenses. — The charge for the care and heating of each room is, approximately, $40 per annum. Board costs from $3.00 to 4.00 per week. The necessary expenses of a student for the school year of thirty-four weeks, exclusive of clothing and personal expenses, range from $180 to $260.

Opportunities for Self-Help. — Scholarship aid is now considered not as a gift, but as a means of livelihood obtained by a definite amount of religious work, under competent supervision. The extensive scholarship funds of the school are used to create opportunities for employment in New Haven and vicinity, through which the students may receive training in pastoral work. The average amount of time spent is six hours per week, for which the remuneration is $100. Further opportunities for self-help, if needed, may be obtained through the Director of Religious work. Prize scholarships of $100 and $50 are also offered to students of exceptional rank in scholarship.

Term of Study. — The next year will begin on Thursday, September 25, 1902, and continue until the first Wednesday in June (anniversary).

Application for Admission. — The conditions of admission are membership in some evangelical church, and a liberal education at some college or university. Testimonials are required in the case of new students requiring scholarship aid. Catalogues and forms of application for admission may be obtained by addressing the Dean, Drawer 4, Yale Station, New Haven, Conn.

ATLANTA THEOLOGICAL SEMINARY.

Opened October, 1901.

FACULTY.

J. EDWARD KIRBYE, *President*, and Professor Church History and Instructor in Biblical Introduction.

FRANK OSCAR HELLIER, Professor of Biblical Languages and Instructor in Elocution.

GARDNER S. BUTLER, Professor Systematic Theology and Instructor in Homiletics.

FRANK E. JENKINS, Treasurer and Lecturer on Pastoral Theology and Missions.

JOHN F. BLACKBURN, Librarian.

WILLIAM D. HART, Professor Ecclesiastical Music.

ALMON T. CLARKE, Dean of Correspondence Department.

The Seminary aims, (1) to develop the experimental side of the religious life, and thus produce an evangelistic and spiritual ministry; (2) to give the student an insight into modern methods of interpretation, but so as to produce a constructive scholarship; (3) to find God and the Holy Spirit in history and the Church; to see Christ in the lowliest forms of philanthropic endeavor; and thus preach a Gospel for the whole life. The Seminary aims to enable the student to have definite convictions and yet a mind open to the advances of scholarship.

The courses of instruction are arranged to meet the needs of the Southern field. The Classical Theological Course embraces three years of study. At its completion, the degree of B. D. is given. Candidates entering upon this Course must have a College Course or its equivalent. The English Theological Course is designed to meet the needs of a great many pastors who are desirous of entering upon a course of study, but who are too advanced in age to take the regular college preparatory requirements. In such cases the course embraces three years of study beside the regular English preparatory studies. The third course is the Correspondence. It is designed to meet the needs of pastors who have never had school privileges, and who are so situated that they cannot leave their work to attend the Seminary for a regular course. In such cases the books are sent to the student, lessons are assigned and examinations are given. During each year the student is supposed to attend the Seminary for one month during a course of lectures that embrace Bible study, Sunday School methods, Christian Endeavor organization, and the Church as a social and religious factor.

The Seminary cannot offer the apparatus of the larger seminaries, but can say that it will do its best for the intellectual and spiritual life of every student.

TERMS OF ADMISSION. Candidates for admission must be members of some evangelical church. Courses are opened to students of either sex.

EXPENSES. No charge is made for tuition or room rent. Board can be obtained for $2 per week. A limited amount of student aid is given to worthy men. All worthy young men can find employment in the city that will enable them to completely pay all expenses. The Seminary aids the young men, as soon as they are able, to secure preaching places, of which there are many near the city. Practical work in connection with the prosecution of studies is urged. Preaching and Social Settlement work will enable the student to get a clear idea of some of the phases of work which are to be his. Thus we will give to the churches men with a practical as well as a theoretical knowledge.

For information address the President.

ANNUAL STATISTICS OF THE CHURCHES AND MINISTERS.

THE following pages contain the statistics as collected in 1901 by the statistical secretaries of the several State organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee. They are all of date Jan. 1, 1902, except that ministerial supply is, as far as possible, brought down to date.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the State secretaries representing their own organizations, or of councils subsequent to the date of annual reports.

The contents of the statistics are as follows: —

1. The statistics of the churches and their ministers, by States.
2. Statistics of Sunday schools, independent and missionary.
3. List of Congregational ministers in foreign lands.
4. The National, State, and local organizations of the churches, with officers, and dates of next sessions in 1901–1902.
5. General summary tables for the year.
6. Tables of summaries, 1858–1901.
7. Remarks upon the statistics.
8. Alphabetical list of ministers, with P. O. address, and indexed to pages.
9. Alphabetical list of licentiates.
10. List of ministers of other denominations supplying Congregational churches.

RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city arranged, as they should be, under the name of that town or city, are placed according to age.

2. To make *new tables* each year. "Last year's report" (if known to be such) is always omitted. But, while old reports are not to be inserted in the table, the aggregate of such last reports from churches failing to report, in the items of church and Sunday-school membership, are included in the summaries. Justice to the churches which do report requires this, as their real progress may be apparently diminished or reversed, by lack of the figures from their less faithful neighbors. The special attention of State secretaries is called to this point, as it has often been disregarded. The list of churches of this year is compared, name by name, with that of last year, and all variations which change the place of the church on the list are specifically mentioned with the State summary, so that each church can be traced from year to year.

3. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct "pastoral supply" to the latest moment. Proof sheets have been sent to secretaries and some home-missionary superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.

4. The prime name in a table line is always supposed to be the name of the *place*, town or city, in which the church is located, as determined by the place of the meeting-house. This is also the name of its post-office, unless followed in line or margin by a name in **heavy-faced** type. In such cases the latter is the post-office, and THIS EMPHATIC TYPE IN LINE OR MARGIN, IS USED EXCLUSIVELY FOR NAMES OF POST-OFFICES. If this postal word is an adjective, it goes with the preceding name, *e. g.*, "Newton **West**"; if itself a name, it supersedes the other, as "Newton, **Auburndale**." Postal designations are not repeated on the second page, and special church names are sometimes given in the second page line, for which there was

not room in the first. In general, the two pages, being invariably opposite, are treated as one, and marginal references on the second page are made to foot-notes on the first, without repetition when they occur there.

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since January 1st; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish. A star (*) denotes churches not associated, except in California, where it marks the churches in Southern California.

2. Pastors installed or recognized by council are marked "*p. c.*"; pastors duly called by their churches and recognized by some "definite act of the church," but not by council, are marked "*p.*"; others in service are not marked, but in tabular summaries are counted as "supplies." Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. The tables are *not* A POSTAL GUIDE TO THE ADDRESSES OF MINISTERS, and any person so using them runs his own risk of error. The General Alphabetical List of Ministers gives their post-offices. Special attention is called to this fact, which is often overlooked.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed, or commenced service with that church.

5. A star (*) in the General Alphabetical List of Ministers denotes that the person so designated appears in the tables, reported by some church, as its minister, but is not reported to be a member of *any* association or conference of ministers or churches in the United States; or that he is found supplying some church, or did so as pastor by council last year and may be presumed to be *in transitu*, though his name is not in the State alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such are so considered and not included in list of vacant churches. When churches are supplied by ministers of other denominations it is so stated, and they appear under the head Supplies. Churches actually vacant are found in column marked "vacant." The names of licentiates and ministers of other denominations will be found, not in the Alphabetical List of Ministers of Congregational Churches, but in lists following the regular list of Congregational ministers. The General Alphabetical List includes *only* Congregational ministers.

7. The names of some Congregational ministers are missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." Under the head of "Removed," "Died," "Letter," and "Discipline" are represented by the abbreviations. It should be borne in mind that in the tables, Discipline includes Roll-revision. In the General Summaries the term Revision is used, and includes Discipline.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report," but some States do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report."

Students of this table should remember that 1887 was a transition year. The reports from different States covered various periods from one to two years, to bring them down to the common date, Jan. 1, as ordered by the Council. For all New England, except Maine, two years are included, and the average for the whole country is 20 months. Hence the totals reported need to be reduced by two fifths for just comparison with other years. This would make the ain of members, 12,723; in Sunday schools, 17,822, and infant baptisms, 7,176.

GAINS AND LOSSES BY GROUPS.

The following comparisons between the figures of 1900 and 1901 will explain themselves. Attention is called to the groupings of States, after a natural method of division. Figures in brackets indicate the number of States.

LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES.

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

The following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later councils) are alone responsible; but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization in any State, or a conflict of reports leaves the editor in doubt of the facts.

The figures refer to pages where the name will be found in the tables, in the Vital Statistics, in the service of the Benevolent Societies, of the Theological Seminaries, in the list of foreign missionaries. In some cases the *page* is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (*) are of persons who, although mentioned (usually as supplying churches), are not reported as members of any organization of Congregational churches or ministers. A few names are also retained with a * of those who were in active service last year, and may be presumed to be *in transitu*. Such names are not continued a second year, without specific report.

Some post-office addresses are antiquated, but the best possible has been done.

Licentiates are not included in this list, but a list of licentiates follows this, and a list of ministers of other denominations, including also names of those whose position is not reported.

Names of persons in last year's list, deceased since the issue of 1901, are retained, and are indexed to the pages of the "Vital Statistics" when found there.

Some errors will be found in first names, initials, and spelling. No pains have been spared to secure accuracy; but, effort failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names of ministers without pastoral charge, as they do not occur in the preceding tables, have no numeral page reference, and in place of it the year of ordination is given.

Names of persons employed in instruction in schools and colleges are indicated by *pr.*, president or principal, and *pf.*, professor.

LIST OF LICENTIATES REPORTED.

THIS list contains the names of those apparently *reported as under care*, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by, or under the care of, any Congregational organization.

Further. 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by State only are of persons approved in the State mentioned, no residence being reported. 4. The list is incomplete, because some States make no full report of licentiates. 5. The contracted name of a State in brackets means that the name was reported by that State, although the person may reside elsewhere.

The Congregational Library.

AN APPEAL.

Strange to say, this is not an appeal for money (though that is always welcome), but for something usually easier to furnish; namely, the materials existing in printed or written form in each of our five thousand churches, copies or transcripts of which should be on view at this main centre of Congregationalism.

What was well begun should be well carried on. In 1853, through the wise foresight of Dr. Dexter, Secretary Anderson, and other leaders, the Congregational Library Association was founded, to preserve whatever might serve to illustrate the religious history and literature of New England. With great labor and cost, the library has been making constant accumulations on the side of its work devoted to the past.

But the present and the future are swiftly flowing by us into history. The point at which every church, *and particularly every church clerk*, can help the library is indicated above. In some other denominations a fiat might go forth which would bring this material regularly to the central office with the certainty of fate. Our way of liberty is vastly better on the whole; and we ought to take pride in showing that it is equally satisfactory in its results.

It will be asked at once, what is desired here? We answer: Everything that mirrors the life of your church; for instance: —

1. Church Manuals. — Even when these do not contain the history of the church, they are important in many ways. "Do you want church manuals?" a prominent minister lately asked us in surprise. Let it suffice to reply that we have been at pains already to collect about two thousand of these, and we have room for thousands more.

2. Church Annuals. — Whether called Year-Books, or anything else, they are exactly what we wish, in order to register the progress (or otherwise!) of our churches, so far as statistics and incidents can set it forth. *Send two copies of each book or historical pamphlet.*

3. Church Periodicals. — Many churches that do not publish a Year-Book bring out, either weekly or at other stated times, a publication which represents the church, and forms a bond of union among its varied interests. *Please let us have all such matter here.*
